**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR 1.137(B)**

Dear Sir,

The above identified application became abandoned due to failure to successfully pay the extension fees associated with the July 10, 2006 Response to Office Action (dated January 10, 2006). Also on July 13, 2006 Applicant submitted an Information Disclosure Statement authorizing the charging of an appropriate fee related thereto. Unfortunately, due to an oversight in managing the deposit account (which has since been corrected), there were insufficient funds to cover the charges.

Realization that this error impacted the present application occurred only upon receiving the Notice of Abandonment mailed October 5, 2006 which was received on October 11, 2006 but only reviewed earlier today. Please consider this a petition under 37 CFR 1.137(b) for revival as the application was unintentionally abandoned and as this petition is being submitted promptly after realization of that abandonment from the above described error.

Upon acceptance of this petition please have both the amendment and the Information Disclosure Statement mailed on July 10, 2006 and July 13, 2006, respectively, entered into the application. Copies of these documents are already located in the file history and they can be seen electronically on PAIR.
